

Determine what happened to an institution and review its history

- 1 Go to FDIC.gov and on the homepage select **Industry Analysis**.
- 2 Click on **Bank Find** from the **Quick Links** menu to the right.

The screenshot shows the FDIC.gov homepage. At the top is the FDIC logo and the text "Federal Deposit Insurance Corporation" and "Each depositor insured to at least \$250,000 per insured bank". There is a search bar and social media icons. Below the header is a navigation menu with links: Home, Deposit Insurance, Consumer Protection, Industry Analysis, Regulations & Examinations, Institution & Asset Sales, News & Events, and About FDIC. A "WATCH WEBCAST" button is visible, along with a countdown timer. The main content area features a large image of a conference room with the text "FDIC Board Meeting" and "The Board of Directors will meet in open session at 10:00 a.m. on Thursday, January 21, 2016 -- January 15, 2016". To the right of the image is a sidebar with the "FDIC Board of Directors" list, including Chairman Martin J. Gruenberg, Vice-Chairman Thomas M. Hoenig, and Directors Thomas J. Curry and Richard Cordray. Below this is a "Find More Information" section with dropdown menus for "I Am A..." and "I Want To...", and a "Go" button. At the bottom of the sidebar is the "BankFind" link, which is highlighted with a red arrow. The "BankFind" link text reads: "Learn if your bank is insured, view locations, track history, and more."

3

Enter information in any of the search criteria (e.g., name or partial name of the institution). Select the **dropdown arrow** for a list of states. Click the **Search** button.

4

A list of institutions matching your criteria is generated. Scroll to find the institution. To view the history of the institution, click on the **institution's name**.
